

FIX & SWING

6MM & 10MM SHOWER SCREEN

CIVIC | SHOWER SCREENS
& WARDROBES

The Civic Fix & Swing Shower Screen combines style, safety, and functionality, featuring a fixed panel with a swinging door for easy access. Designed specifically for shower over bath solutions, it offers a clean, modern, custom-fit that maximises space and usability.

Key design factors covering:

- Performance • Maintenance • Value • Ease of Use
- Durability • Appearance • Safety • Construction

Manufactured to comply with Australian Standards AS1288:2021, AS2208:2023, and AS3740:2021, the Fix & Swing Shower Screen combines high quality materials with precision engineering for long-lasting reliability and refined design.

FIX & SWING

6MM & 10MM SHOWER SCREEN

6MM & 10MM TOUGHENED SAFETY GLASS

Available in both 6mm and 10mm toughened safety glass, this system offers flexibility to suit different project requirements and budgets. The semi-frameless and frameless design enhances natural light and openness. The fixed panel provides stability and the swinging door allows smooth, practical access.

EXCEPTIONAL VALUE

An ideal, stylish solution offering flexibility in glass thickness, strong performance, and long-term durability with pricing options to suit homeowners and builders alike.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory and installed by our professional team. A complete end-to-end solution ensuring precision, quality, and consistency.

FEATURES

- Frameless or semi-frameless design available in 6mm or 10mm toughened safety glass
- Custom-made to suit any bathroom layout
- Swing door and fixed panel provides easy and practical access over bath edge
- Minimal hardware for a clean, streamlined look

DESIGN APPROACH

Custom made to suit a range of shower over bath configurations. A selection of glass finishes, textures, and hardware colours allows seamless integration into both contemporary and classic bathroom designs.

INSTALLATION & MAINTENANCE

- Professionally installed by Civic's expert team for a flawless fit.
- Minimal framing reduces dirt build-up for easier cleaning. For best results, wipe with a soft cloth and a 50/50 water/vinegar solution (see Civic's Cleaning Guides).

SAFETY

All Civic Fix & Swing Shower Screens comply with AS1288, AS2208, and AS3740.

Features include:

- 6mm or 10mm toughened safety glass
- Vertical and horizontal seals for effective water containment
- 180° Inwards swinging panel designed for safe bath access
