

SLIDING

6MM SHOWER SCREEN SYSTEM

CIVIC | SHOWER SCREENS
& WARDROBES

The Civic 6mm Sliding Shower Screen represents a premium combination of style, safety, and functionality. Featuring a smooth sliding door system and refined semi-frameless design, it delivers a modern, streamlined appearance suited to both compact and spacious bathrooms.

Key design factors covering:

- Performance • Maintenance • Value • Ease of Use
- Durability • Appearance • Safety • Construction

Manufactured to comply with Australian Standards AS1288 and AS2208, the Civic 6mm Sliding Shower Screen combines high quality materials with precision engineering to achieve long lasting reliability and contemporary style.

SLIDING

6MM SHOWER SCREEN

6MM TOUGHENED GLASS

The Civic 6mm Sliding Shower Screen combines 6mm toughened safety glass with smooth functionality and modern semi-frameless styling, ideal for contemporary bathrooms. Its streamlined sliding design maximises usable space, making it suitable for compact bathrooms, ensuites, and larger family bathrooms alike.

EXCEPTIONAL VALUE

Premium style and reliable performance at an affordable price point, ideal for both homeowners and builders.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory, making it an ideal choice for both homeowners and builders.

FEATURES

- Smooth sliding door operation for easy everyday use
- 6mm toughened safety glass to Australian Standards
- Space-saving design ideal for compact bathrooms and ensuites
- Custom frame and hardware finishes to suit any décor
- Easy maintenance with minimal framework

DESIGN FLEXIBILITY

Custom made with configurations to suit most bathroom layouts, including front only and corner entry designs. Modern styling and versatile finishes complement both renovations and new builds.

INSTALLATION & MAINTENANCE

- Installed by Civic's trained team for a flawless finish.
- Smooth sliding rollers are designed for reliable everyday operation.
- Minimal framing reduces dirt build-up, allowing for easier cleaning.
- For best results, clean with a soft cloth and a 50/50 water/vinegar solution (refer to Civic Cleaning Guides).

SAFETY

All Civic shower screens are manufactured to comply with Australian Standards AS1288, AS2208, and AS3740.

- 6mm toughened safety glass
- Vertical and horizontal seals for effective water containment
