FRAMED DOORS

SLIDING WARDROBE DOOR SYSTEM

DESIGNED FOR EVERYDAY LIVING

Engineered for smooth, effortless operation, Civic's sliding wardrobe doors maximise space while maintaining a clean and streamlined look. A concealed roller system ensures quiet performance, while the strong framed construction provides stability and durability for daily use.

EXCEPTIONAL VALUE

A practical and stylish storage solution offering flexibility in design, durable construction, and long-lasting performance at an attractive price point.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory and installed by our professional team. A complete end-to-end solution ensuring precision, quality, and consistency.

FEATURES

- Strong framed construction for durability and stability
- Concealed roller system for smooth, quiet operation
- Adjustable rollers for precise alignment and easy installation
- Continuous finger grip integrated into the frame for ease of use
- Solid bottom rail and robust track system for strength and stability
- Custom-made to suit any wardrobe opening
- Wide range of insert options including glass, mirror, vinyl, and MDF

DESIGN FLEXIBILITY

Custom designed to suit your space, with options for door quantity, insert type, frame finish, and track configuration. Suitable for wall-to-wall or corner installations, and for ceiling heights up to 2.7m, Civic's framed wardrobe doors adapt to both contemporary and traditional interiors.

INSTALLATION & MAINTENANCE

- Professionally installed by Civic's trained team for a precise fit and smooth operation, even in out-of-square openings.
- Cleaning is simple, wipe with a soft cloth and a 50/50 water and vinegar solution to remove dust and marks (see Civic Cleaning Guides).

SAFETY

Where glass or mirror inserts are used, all Civic framed wardrobe doors comply with AS1288 and AS2208.

Features include:

- Safety-backed mirror for added protection
- Durable framed construction for long-term stability
- Smooth-gliding track system for safe operation
