

SHOJI DOORS

SLIDING WARDROBE DOOR SYSTEM

CIVIC | SHOWER SCREENS
& WARDROBES

The Civic Shoji Wardrobe Door System represents a premium combination of style, safety, and performance. Featuring a distinctive framed panel design, Shoji delivers a modern architectural appearance suited to both contemporary and classic interiors.

Key design factors covering:

- Performance • Maintenance • Value • Ease of Use
- Durability • Appearance • Safety • Construction

Shoji system combines high-quality aluminium framing with precision engineering to achieve long-lasting reliability and smooth operation.

SHOJI DOORS

SLIDING WARDROBE DOOR SYSTEM

1MODERN ARCHITECTURAL DESIGN

The Civic Shoji system is a sliding wardrobe door solution featuring a structured panelled design that creates a refined architectural look. Its clean lines and balanced proportions make it ideal for feature wardrobes and interior joinery applications. Constructed with durable aluminium framing and smooth rolling hardware, Shoji delivers quiet operation, strength, and long-term performance while maintaining a distinctive aesthetic.

EXCEPTIONAL VALUE

Premium architectural styling and durable construction at a competitive price point, ideal for both residential renovations and new builds.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory, and installed by our professional team. A complete end-to-end solution ensuring quality, precision, and consistency.

FEATURES

- Modern architectural framed panel design
- Strong aluminium frame for durability and stability
- Large roller system for smooth, quiet operation
- Anti-jump mechanism for secure door alignment
- Full-length grip stiles for ease of use and strength
- Foot-friendly, easy-to-clean track system

DESIGN FLEXIBILITY

Custom made with configurations to suit most wardrobe layouts, with a wide range of panel styles and finishes that complement both modern and traditional interiors.

INSTALLATION & MAINTENANCE

- Installed by Civic's trained team for a precise fit and smooth operation.
- Low-maintenance design ensures easy cleaning.
- Simply wipe with a soft cloth and a 50/50 water/vinegar solution. For best results refer to Civic Cleaning Guides.

SAFETY

Where glass or mirror inserts are used, all Civic Shoji Wardrobe Doors comply with AS1288 and AS2208.

Features include:

- Safety-backed glass or mirror panels where applicable
- Anti-jump system for secure operation
- Stable track system for long-term durability
- Professionally installed for strength and reliability
