

CIVIC S3 CORE™

6MM SEMI-FRAMELESS SHOWER SCREEN

CIVIC | SHOWER SCREENS
& WARDROBES

The Civic S3 Core™ Shower Screen provides a practical balance of style, strength, and value. Its semi-frameless design offers a clean, modern appearance. Focused on standard Core layouts, it delivers a reliable, cost-effective solution for homeowners and builders.

Key design factors covering: • Performance • Maintenance
• Value • Ease of Use
• Durability • Appearance
• Safety • Construction

Manufactured to comply with Australian Standards AS1288 and AS2208, the Civic S3 Core™ combines durable materials with professional installation, ensuring safety, and a refined finish at an affordable price.

CIVIC S3 CORE™

6MM SEMI-FRAMELESS SHOWER SCREEN

6MM TOUGHENED SAFETY GLASS

The Civic S3 Core™ is a semi-frameless shower screen with a frameless pivot door, combining practicality, durability, and style. Constructed from 6mm toughened safety glass, it provides a stylish, modern appearance and reliable performance. The S3 Core™ is also available in a configuration designed to meet NCC accessibility requirements.

EXCEPTIONAL VALUE

Focusing on Core selections, standard height, finishes, and hardware, the S3 Core™ offers streamlined options that reduce complexity and cost, delivering a practical and stylish solution for homeowners and builders.

FEATURES

- Frameless pivot door for a modern, clean look
- 6mm toughened safety glass to Australian Standards
- Core layout design options for easy selection and affordability
- Standard height: 2000mm
- Standard frame and hardware colours: Polished Silver, Matt Silver
- Available in an NCC-accessible configuration

DESIGN APPROACH

The Civic S3 Core™ is designed around standard Core layouts for consistent installation and exceptional value to suit both renovations and new builds.

INSTALLATION & MAINTENANCE

- Installed by Civic's trained team for a flawless fit.
- Minimal framing reduces build-up for easy cleaning. For best results, use a soft cloth with a 50/50 water/vinegar solution (see Civic Cleaning Guides).

SAFETY

All Civic S3 Core™ shower screens comply with AS1288, AS2208, and AS3740.

Features include:

- 6mm toughened safety glass
- Frameless pivot door
- Vertical and horizontal seals for effective water containment
- Optional NCC-accessible configuration
- Professionally installed for a secure, long-lasting fit

S3 CORE OPTIONS
