CUSTOM WARDROBES

Built In Robes, Walk In Robes, Custom Storage

Shelving

FIXED SHELF

Strong and secure shelving for reliable storage of clothes, accessories, and other essentials.

- Sturdy construction for long-term use
- Ideal for heavy items and bulk storage

Specifications

- Max Span without joining: 2700mm
- Max Span between supports: 1200mm
- Standard Depth: 440mm
 - Available Depths: 200-600mm

TOP SHELF

Optimise vertical space with a high-positioned shelf, ideal for infrequently used items.

- Great for storing luggage, boxes, or seasonal accessories
- Makes the most of full wardrobe height
- Neatly conceals overhead storage
- Fixed Shelf with Hanging Rail Underneath

HAT SHELF

A dedicated space for storing and protecting hats, bags and accessories, keeping them in perfect shape.

- Prevents hats from getting crushed or misshapen
- Positioned above hanging space for easy access
- Designed for easy access and visibility
- Can be customised to suit your wardrobe layout
- Fixed Shelf

SHELF WITH FRONT CLEAT

Reinforced shelving with a front cleat for added strength and a clean, built-in finish.

Specifications

- Max Span without joining: 2700mm
- Standard Depth: 440mm
 - Available Depths: 200-600mm

Types

- Fixed Shelf with Recessed Front Cleat
 - Max Span between supports: 1600mm
- Fixed Shelf with Double Front Cleat
 - Max Span between supports: 1900mm

CUSTOM WARDROBES

Built In Robes, Walk In Robes, Custom Storage

Shelving

SHELF WITH SUPPORT

Stylish and functional shelves supported by vertical posts, gables, or shark fins for additional strength.

- Creates an open, airy feel in your wardrobe
- Visually separates sections for design impact
- Ideal for display items or curated collections

Support Types: 1201mm+

- Post (Full height, floor to underside of top shelf)
- Post with Back Support
- Full Gable (Full height, Depth 240mm)
- Half Gable (Depth 240mm, Length 1200mm, Max Capacity 100kg/m)
- Shark Fin Support (Depth 240mm, Max Capacity 50kg/m)
- Front Cleat

SHOE SHELF WITH LIP

Angled adjustable shelving designed specifically for shoes, with a front lip to keep pairs in place.

- Neatly displays footwear for easy selection
- Customisable spacing, suitable for all shoe types, from flats to boots

ADJUSTABLE SHELF

Flexible shelving that adapts to your changing storage needs.

- Easily reposition to suit different item heights
- Great for growing kids, seasonal items, or evolving layouts

GLASS SHELF

A premium shelf option offering style and visibility, ideal for accessories and display items.

- Durable toughened glass construction
- Enhances visibility of contents like jewellery, perfumes, or decor

SHELVING NOTES

- Shelf sheet length is 2700mm max. Spans larger than 2700mm will have a shelf join.
- Shelf joins must have a full height gable or drawer unit below join for support
 - A drawer unit, adjustable shelf unit can act as the gable/ support.

CUSTOM WARDROBES

Built In Robes, Walk In Robes, Custom Storage

Hanging Solutions

SINGLE HANGING RAIL

A classic solution for hanging long garments like dresses, coats, and trousers.

- Sturdy and durable for everyday use
- Maximises vertical space in your wardrobe
- Sleek design to match any interior

DOUBLE HANGING RAIL

Maximise vertical space with two levels of hanging rails.

- Perfect for shirts, pants, and shorter garments
- Doubles your hanging capacity
- Space-efficient and organised

Hanging Rail Finishes

STANDARD

- Polished Silver
- White

PREMIUM

- Black
- Gold

PULL OUT/DOWN HANGING RAIL: SPECIAL ORDER

Lowers clothing to an accessible height, perfect for maximising high wardrobe spaces.

- Effortless soft closing and opening pull-down mechanism
- Aluminum extrusion rod can be easily cut down equally from each side to the desired width. The rest of the material is steel.

Finishes

- Matt Silver – W900mm
- Matt Black – W900mm

Specifications

- Width: 900mm
- Depth: 320mm
- Height: 800mm
- 12kg capacity
