

# 6MM SHOWER SCREENS

## S3 Core

### 6MM S3 CORE Hardware & Framing Colours:

- Polished Silver
- Matt Silver
- Black

Elevate your bathroom with the stylish design of Civic's S3 Core inline semi-frameless shower screen.

With a subtle frame, it delivers strong visual impact while maintaining a clean, open feel. Made in Australia from 6mm toughened A Grade safety glass, the S3 Core is NCC compliant and available in multiple configurations, including accessible options. Finished with a fully frameless door and modern frame colours, the S3 Core is a trusted choice for builders and renovators seeking strength, structure, and standout style.
