10MM SHOWER SCREENS

All our 10mm Shower Screens are made from 10mm Grade A tempered safety glass and custom designed to suit any style and set-up. Choose from our range of quality heavy duty hinges and patch fittings. Our installation technicians are among the best qualified and most experienced in the industry, ensuring your screen will be installed to the highest possible standards.

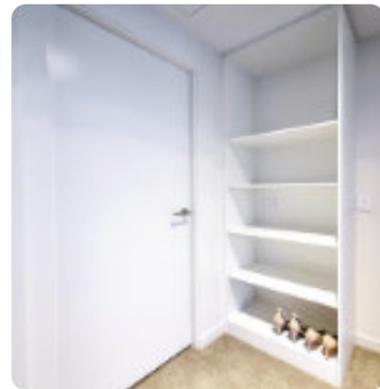

6MM SHOWER SCREENS

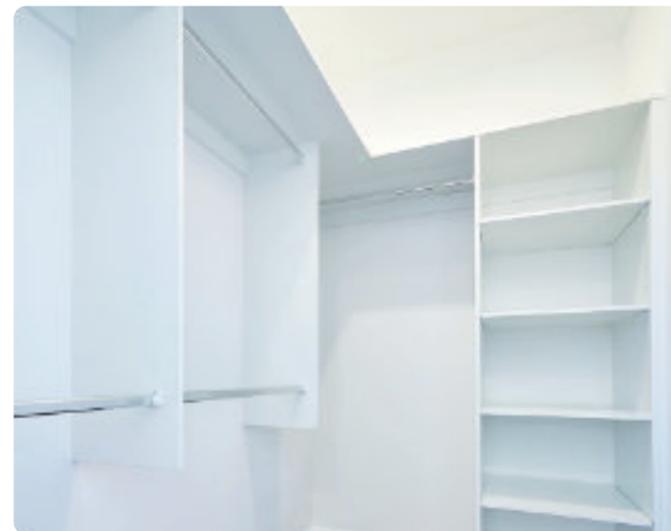

Our semi frameless shower screens give a fabulous open, airy feel. Available in a large range of frame colours and constructed using 6mm toughened Grade A safety glass, We manufacture to the highest industry standards. All our semi frameless shower screens have a fully frameless door and versatile designs to suit any bathroom. It has become the semi frameless screen of choice for Queensland's best builders.

WARDROBE INTERNALS

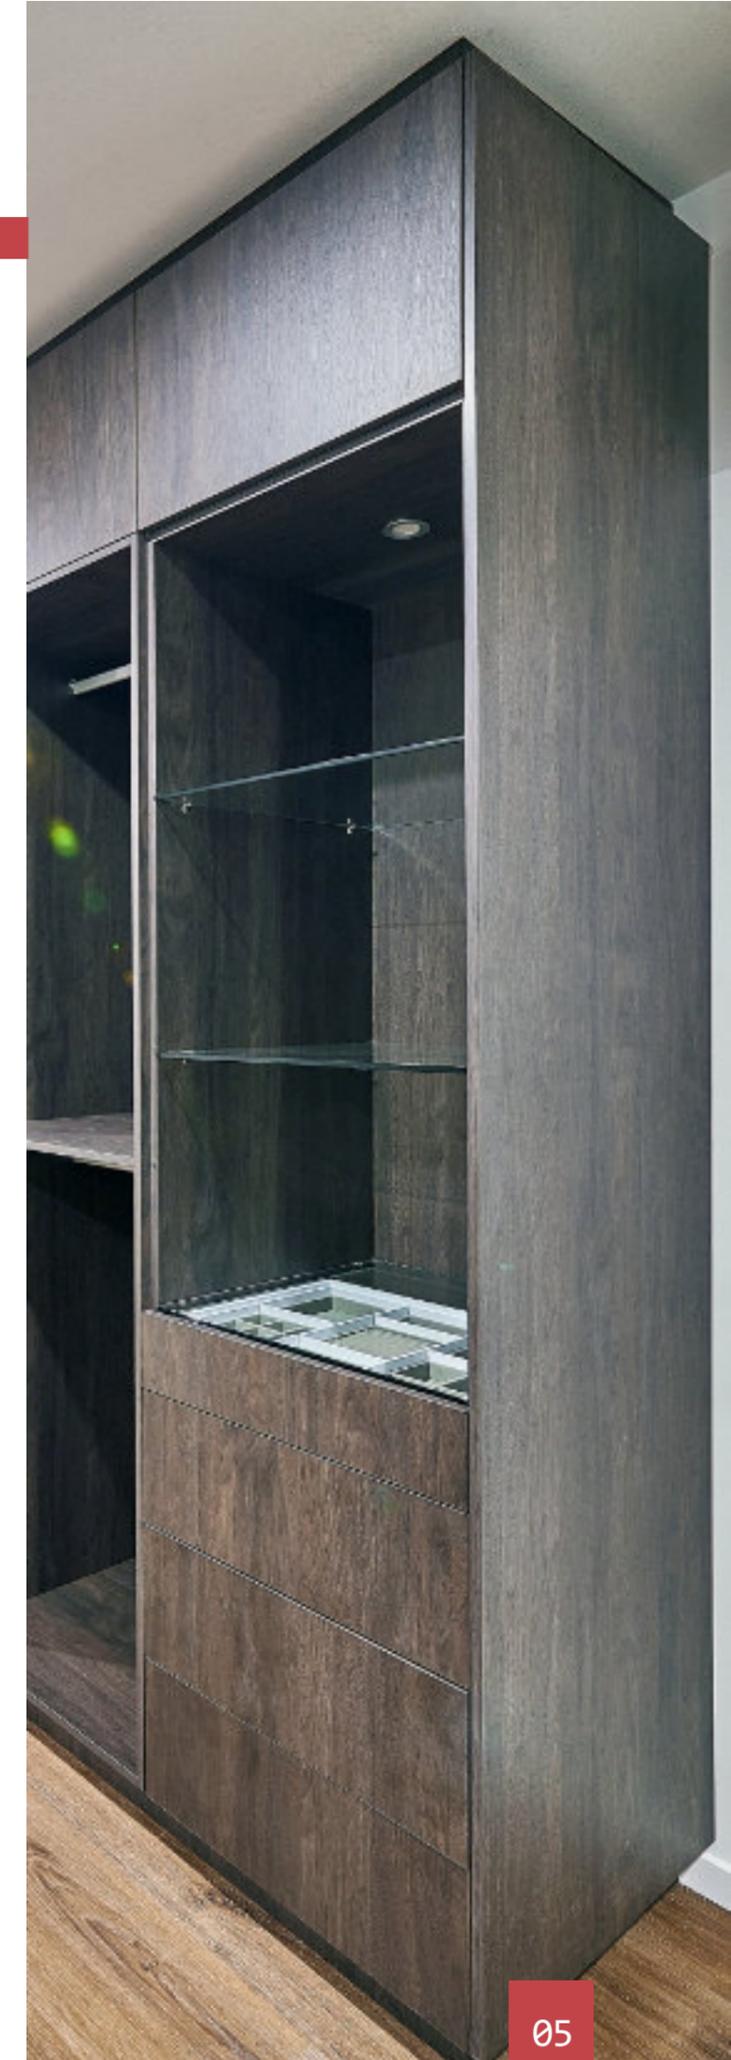

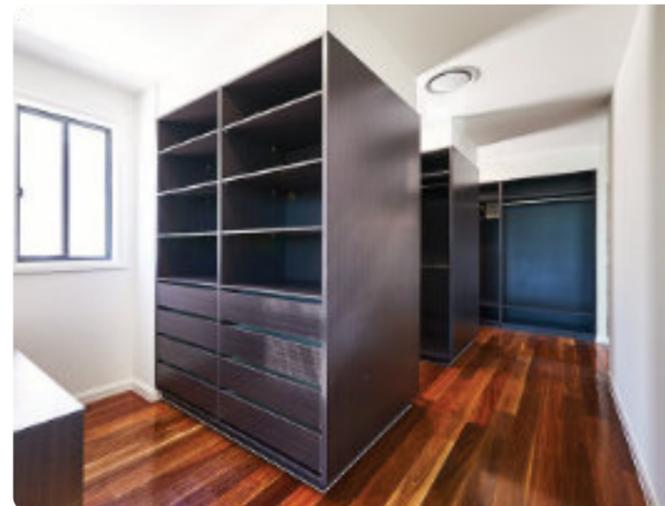

Let us help you get organised with our functional and practical array of storage solutions. Our consultants can design a custom built fit-out that will have your friends green with envy and your house looking neat and tidy. Our robe internals are built on-site by our expert installers. Select from a range of options including drawers, adjustable and fixed shelves, hanging, baskets, shoe racks and internal accessories.

WARDROBE INTERNALS - COLOURED

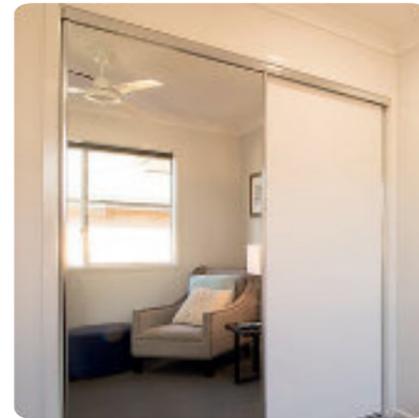

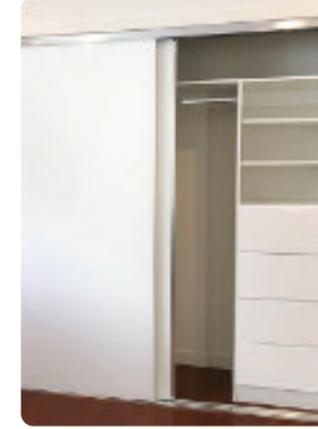

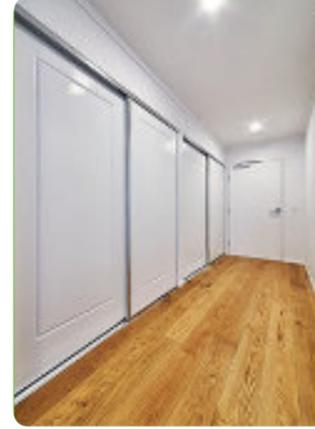

Our wardrobe internals are available in a range of high-end finishes, colours, layouts and designs. Choose from wood grains, fine grains, woodmatt, ravine, gloss, satin, sheen, matt, ultramatt and textured. All our wardrobe internals are custom designed to suit your space and needs. Maximise your storage with our wide range of luxury accessories including jewellery inserts, trouser racks, tie racks and led lighting.

SLIDING ROBE DOORS

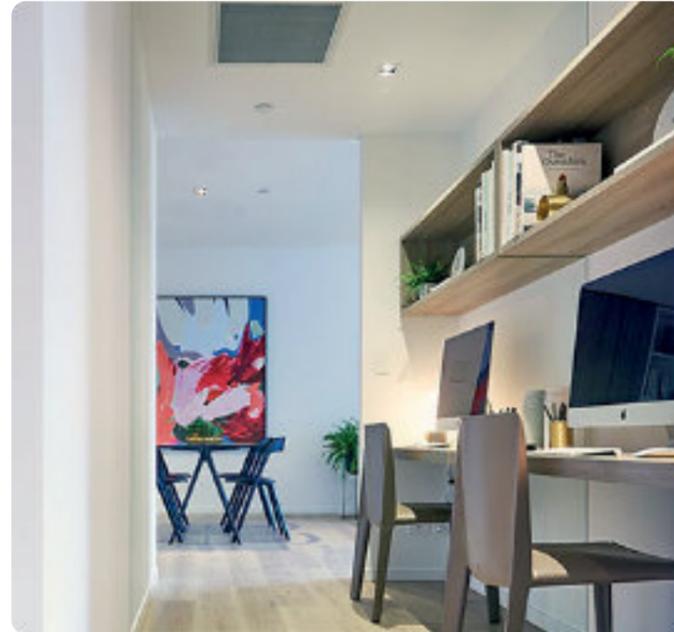

We can help you add a sense of space or privacy to your wardrobe, garage, laundry, or hallway storage with our sliding robe doors. All our robe doors are available in a variety of finishes including, mirrored, painted glass, vinyl, Laminate and MDF. They are manufactured to suit your opening and use quality components ensuring smooth operation. You can select from a range of designs and colours including framed, frameless, shoji, colonial and VJ.

MIRRORS

Enhance and make any room look fabulous and big with a mirror from Civic. Mirrors are a great way to add light and space to any room in the home. Choose from silver, grey or bronze with a choice of edging including, polished, bevelled, framed or micro-framed.

SPLASHBACKS

Glass splashbacks are a practical and stylish enhancement to any kitchen, laundry or room. Made from 6mm grade A tempered safety glass, they are compliant with all gas and wet area standards. Our splashbacks are available in any painted colour, grey mirror, bronze mirror and metallic finishes and will enhance any kitchen, bathroom or feature wall. The range can be adapted to suit any room, inside or out. Our glass splashbacks are all made to order and installed by our team of expert installers.

MIRROR WALLS

Add a wow factor to your room, gym or foyer with one of our mirror walls. A standard mirror wall can make an exquisite and functional back drop for your gym or go for a completely customised shape, picture, pattern or colour for a show stopping feature wall.
