

Mirror Removal Authorisation and Indemnity Form

Civic Shower Screens and Wardrobes has been instructed to remove an existing mirror and replace it with a new Civic product.

While Civic will exercise the utmost care during the removal process, it is important to acknowledge the inherent risks involved.

Due to the nature of mirrors and their installation, the following risks may arise:

- The mirror may break or shatter during removal.
- Falling mirror pieces could cause damage to surrounding areas, including vanities, sinks, floors, or other fixtures.

By signing this form, I acknowledge and accept the following:

1. There is a risk of damage during the removal of the mirror that is beyond Civic's control.
2. Civic will not be held responsible for any damage that may occur as a result of the mirror removal, including but not limited to damage to vanities, sinks, floors, or other surrounding areas.
3. I indemnify Civic for any costs associated with repairing damages caused by the removal of the mirror.
4. I understand that I may need to arrange for another party to carry out necessary repairs. Civic may be unable to install the new product until such repairs are completed.
