Civic... where design excellence meets inspiration

CIVIC MIRRORS, SHOWERSCREENS
& WARDROBES

the perfect finish

Civic has identified a range of mirrors that turn this essential element of the bathroom into a visual effect that can be utilised throughout any apartment or home.

A range of framed and frameless mirrors ensures that Civic can co-ordinate with rooms of any style.

Civic also stocks a collection of mirrors that are specifically manufactured to match its suite of shower screens.

Framed mirrors feature a selection of anodised or powder coated colours, while polished edge and bevelled edge frameless mirrors create a look of elegant simplicity. Making a striking addition to any room, Civic's range of high-quality framed and frameless mirrors add value by creating the illusion of space and light.

Our mirrors are all made to order and can be positioned directly to a wall or on tiles, we can also 'inset' the mirror to sit flush with tiles or install them on cabinet doors.

From a simple bathroom mirror to a full wall or gym fitout you'll get it at Civic.
